Certificates

Masks - COVID-19 Approved

Certificate nr 14441/2020

This is the seal that CITEVE has launched and which allows consumers and producers to recognise masks or raw materials that have been tested and validated by an independent entity, with accredited laboratories.

Certification Standard 100 by OEKO-TEX - class 1 products

Standard 100 by OEKO-TEX ensures your clothes are free from harmful chemicals and therefore more sustainable and suited to you and your body.

THE BLUE WAY by BLUESIGN

BLUESIGN traces the path of each textile throughout the manufacturing process, making improvements at all stages, encouraging the industry to increase its efforts in sustainable processes.
